

Professional Architectural Corporation Firm Renewal Application Instructions

The legislature has enacted laws which govern all firms practicing architecture in Louisiana. In accordance with those laws, the LSBAE has adopted rules which regulate the registration of such firms. All firms practicing architecture in Louisiana are required to register with the LSBAE and receive a Certificate of Authority within thirty days following registration with the Secretary of State. You should consult your legal counsel or CPA regarding the need for business registration with the Louisiana Secretary of State.
