LOUISIANA STATE BOARD OF ARCHITECTURAL EXAMINERS 9625 FENWAY AVENUE, SUITE B BATON ROUGE, LOUISIANA 70809-1592 (225) 925-4802

IN THE MATTER OF: ) CASE NO. 2022-20 ) ) MARC A. ROBERT ) ) RESPONDENT ) ) )

CONSENT ORDER

The Louisiana State Board of Architectural Examiners [hereinafter the "Board"], by and through its Executive Director, pursuant to authorization by the Board, and Marc A. Robert [hereinafter "Respondent"], hereby agree to the following:

At all times material hereto, Respondent was licensed in the State of Louisiana as an architect, number 8243.

An investigation was opened based upon the Board's receipt of information which suggested that Respondent had practiced architecture in Louisiana during a time that his architectural license had not been renewed and that he may have made a material misstatement in applying for a renewal certificate. The investigation disclosed that Respondent's license expired on December 31, 2018 and remained in an "expired" status until Respondent applied for reinstatement on July 27, 2022. On the application, Respondent answered "No" to the question relative to practicing architecture in Louisiana without an active license in the last five years. Information subsequently received from the Louisiana State Fire Marshal's Office ("SFMO") indicated Respondent submitted two projects for review between May 29, 2019 and July 27, 2022.

La. R.S. 37:152(B) prohibits an architect from using his seal or stamp or doing any other act as an architect unless he is at the time duly registered. La. R.S. 37:153(A)(3) prohibits an architect from practicing architecture when his current renewal has not been obtained. La. R.S. 37:153(A)(7) prohibits an architect from making any material

misstatement in applying for a renewal certificate. La. R.S. 37:154(A) prohibits all persons, including individuals, from practicing architecture in this state with an expired certificate of registration. La. R.S. 37:153(A)(6) authorizes the Board to take disciplinary action against persons who violate La. R.S. 37:152(B), La. R.S. 37:153(A)(3), La. R.S. 37:153(A)(7), and La. R.S. 37:154(A), upon a finding of guilt following notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:152(B), La. R.S. 37:153(A)(3), La. R.S. 37:153(A)(6), La. R.S. 37:153(A)(7), and La. R.S. 37:154(A) were in effect at all times material hereto.

It is undisputed that **(a)** on December 31, 2018, Respondent's license to practice architecture expired and was not reinstated until July 27, 2022, and **(b)** during that time, Respondent submitted two (2) projects to the SFMO for review.

By letter dated January 6, 2023, the Committee gave notice to Respondent that it was considering the preferral of charges against him on the grounds that he may have violated R.S. 37:152(B), La. R.S. 37:153(A)(3), La. R.S. 37:153(A)(6), La. R.S. 37:153(A)(7), and La. R.S. 37:154(A) relative to practicing or offering to practice architecture in Louisiana with an expired license and making a material misstatement in applying for a renewal license.

Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, and for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of his own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to **(a)** pay a fine of three thousand and no/100 (\$3,000.00) dollars, **(b)** pay administrative costs of four-hundred fifty-five and 81/100 dollars (\$455.81), **(c)** publication of this Consent Order on the Board's website and a summary of this matter in the Board's official newsletter, *Louisiana Architect*, to read, "*Marc A. Robert (hereinafter 'Respondent'), a licensed architect (license #8243), was subject to disciplinary action by the Board for practicing architecture in Louisiana with an expired license*

*in violation of La. R.S. 37:152(B), La. R.S. 37:153(A)(3), La. R.S. 37:153(A)(6), La. R.S. 37:153(A)(7), and La. R.S. 37:154(A). On December 31, 2018, Respondent's license to practice architecture expired. On July 27, 2022, Respondent submitted to the Board an application for reinstatement of his license to practice architecture, certifying thereon that he had not practiced architecture in Louisiana without an active license in the last five years. Information received from the Louisiana State Fire Marshal's Office, however, indicated that Respondent had submitted two (2) projects for review between May 29, 2019 and July 27, 2022. Respondent has entered into a Consent Order with the Board wherein he admitted to the referenced violation of the above laws and agreed to pay a fine of \$3,000; to pay administrative costs of \$455.81; to the publication of this Consent Order on the Board's website; to the printing of a summary of this matter in the official newsletter of the Board, Louisiana Architect, identifying Respondent by name, and to the reporting of this matter to the National Council of Architectural Registration Boards ('NCARB') Disciplinary Database, identifying Respondent by name." ; and (d) to the reporting of this matter to the National Council of Architectural Registration Boards ("NCARB") Disciplinary Database, identifying Respondent by name.*

Respondent admits that his conduct as set forth above constitutes violations of the above-referenced laws and/or rules as stated herein. Respondent acknowledges that this Consent Order constitutes a disciplinary action by the Board against him and his Louisiana license to practice architecture. Respondent also acknowledges awareness of said laws and/or rules and states that he will comply with all applicable laws and rules henceforth. Respondent has been advised of his right to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence on his own behalf; he hereby waives these rights and his right to appeal, and he states affirmatively that he has been afforded all administrative remedies due him under the law. Respondent further acknowledges awareness of the fact that the signed original of this Consent Order will remain in the custody of the

Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive his right to a hearing before the Board, to the presenting of evidence and witnesses on his behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents that (a) he fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, (b) he has voluntarily entered into this Consent Order, and that no other promise or agreement of any kind has been made to or with him by any person whatsoever to cause the execution of this instrument, and (c) the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana State Board of Architectural Examiners and Respondent agree that:

1. Respondent shall pay a fine of three thousand and no/100 (\$3,000.00) dollars, which shall be tendered to the Board by certified check payable to the Treasurer, State of Louisiana, due upon the signing of this Consent Order; and

4. This Consent Order shall not become effective unless and until it is accepted and signed by and on behalf of the Board. Should the Board not accept and sign this Consent Order, it is agreed that presentation of this matter to the Board shall not prejudice the Board or any of its members, staff, attorneys, or representatives from further participation, consideration, or resolution of any further proceedings herein.
