## BUSINESS INFORMATION

### Corporate Information

Please provide some information about the organization's business structure

State of Incorporation

Date of Incorporation

### Supervising Professional Architect(s)

Please designate a supervising professional to take responsibility of the firm and the work it completes in this jurisdiction.

Supervising Professional Architect

License Number

LA R.S. 12:1173 requires the applicant to designate the supervising professional architect(s) who shall perform or directly supervise the performance of all professional architectural services by said corporation, and further designate the supervising professional engineer who shall perform or directly supervise the performance of all professional civil, mechanical or electrical engineering services or those services in any other designated branch of professional engineering which the State Board of Registration for Professional Engineers and Land Surveyors and the State Board of Architectural Examiners may jointly specify. Said statute further provides that persons designated must be full-time active employees of the corporation and whose primary occupation is with that corporation.

The following architects are hereby designated as the supervising professional architects according to LA R.S. 12:1173:

## DISCLOSURE QUESTIONS

Has the Firm practiced or offered to practice architecture in Louisiana without a current firm license in the last five years?	
Has the Firm's license/registration been denied, suspended, or revoked by another state or jurisdiction in the last five years?	
Has the Firm surrendered and/or allowed its professional license/registration to lapse in another state or jurisdiction <b>due to pending or threatened disciplinary action</b> in the last five years?	
Has the Firm been investigated, charged, or disciplined by a governing or licensing body or by a state or federal agency in the last five years?	

Has any Louisiana licensed architect employed by the Firm had his or her license denied, suspended or revoked or is any such licensed architect currently under investigation by a state or jurisdiction in the last five years?
