**CONSENT ORDER**

The Louisiana State Board of Architectural Examiners [hereinafter the “Board”], by and through its Executive Director, pursuant to authorization by the Board, and Lickel Architecture, P.C. [hereinafter “Respondent”], by and through its duly authorized undersigned representative, hereby agree to the following:

At all times material hereto, Respondent was not licensed or certified in the State of Louisiana as an architectural firm and, therefore, was not authorized to practice and/or offer to practice architecture in the State of Louisiana. At all times material hereto, Daniel J. Lickel was licensed in the State of Louisiana as an architect, number 6978. At all times material hereto, Lickel was the president and an employee of Respondent.

An investigation was opened based upon the Board’s receipt of an Architect License Reinstatement Application in which Lickel admitted that he had engaged in architectural work in Louisiana while his license was in expired status. The investigation disclosed that between August 2019 and June 2020 Lickel (on behalf of and in the name of Respondent) prepared and issued architectural drawings on Lickel Architecture, P.C. title-block to its clients in connection with two (2) projects in Louisiana. At no time was a firm license obtained by or on behalf of Lickel Architecture, P.C.

La. R.S. 37:145(A) provides that no person shall practice architecture in this state or use the title “architect,” or any term derived therefrom, or display or use any title, sign, advertisement, or other device to indicate that such person practices or offers to practice architecture, or renders architectural services, or is an architect, unless such person shall have secured from the board a certificate of registration and license. La. R.S. 37:154(A) prohibits any person from practicing, or offering to practice, architecture in Louisiana without being certified.

La. R.S. 37:154(A) *to wit* LAC Title 46: I§1527 prohibits using the terms “architect,” “architectural,” “architecture” or anything confusingly similar to indicate that such person practices or offers to practice architecture without proper licensure. La. R.S. 37:154(A) authorizes the Board to take disciplinary action against persons who violate La. R.S. 37:154(A) and LAC Title 46: I§1527, upon finding of guilt following notice and hearing and a majority vote of its entire membership authorized to participate in the proceeding. La. R.S. 37:154(A) and LAC Title 46: I§1527 were in effect at all times material hereto.

It is undisputed that between August 2019 and June 2020 Respondent was not licensed or certified to practice and/or offer to practice architecture in Louisiana and that during this time period Respondent practiced and offered to practice architecture in Louisiana without proper licensure or certification.

By letter dated January 20, 2021, the Board gave notice to Respondent that it was considering the preferral of charges against Respondent on the grounds that it may have violated La. R.S. 37:145, La. R.S. 37:154(A), and LAC Title 46:I §1527, relative to the practicing of and/or offering to practice architecture and the use of the terms “architect,” “architectural,” “architecture” or anything confusingly similar to indicate that such person practices or offers to practice architecture without proper licensure.

Wishing to dispense with the need for further disciplinary action and to conclude the instant proceeding without further delay and expense, and for the purpose of this proceeding only, Respondent and the Board do hereby enter into this Consent Order, in which Respondent of its own free will consents to the issuance of a Consent Order by the Board, wherein Respondent agrees to **(a)** pay a fine of one thousand five hundred and no/100 (\$1,500.00) dollars, **(b)** pay administrative costs of five hundred nine and 82/100 (\$509.82) dollars, **(c)** immediately cease and desist the practicing of and/or offering to practice architecture and the use of the terms “architect,” “architectural,” “architecture” or anything confusingly similar in referring to itself, in describing or promoting its business or activities in Louisiana until such time as it is duly licensed by the Board, and **(d)** the publication of this Consent Order on the Board’s website and a summary of this matter in the Board’s official newsletter, *Louisiana Architect*, and the reporting of this matter to the National Council of Architectural Registration Boards (NCARB), identifying Respondent by name.

Respondent admits that its conduct as set forth above constitutes violations of the above-referenced laws and/or rules as stated herein. Respondent acknowledges awareness of said laws and/or rules and states that it will comply with all applicable laws and rules henceforth.

Respondent has been advised of its rights to be represented by counsel before the Board and/or to appear at any hearing personally or by counsel and present witnesses and evidence in its own behalf, it hereby waives these rights and its right to appeal, and it states affirmatively that it has been afforded all administrative remedies due to it under the law. Respondent further acknowledges awareness of the fact that the signed original of this Consent Order will remain in the custody of the Board as a public record and will be made available for public inspection and copying upon request.

Therefore, in consideration of the foregoing and by signing this Consent Order, Respondent does hereby waive its rights to a hearing before the Board, to the presenting of evidence and witnesses in its behalf, to Findings of Fact and Conclusions of Law in this case, and to judicial review of this Consent Order.

Respondent hereby represents that **(a)** it fully understands the meaning and intent of this Consent Order, including but not limited to its final and binding effect, **(b)** it has voluntarily entered into this Consent Order, and that no other promise or agreement of any kind has been made to or with it by any person whatsoever to cause the execution of this instrument, and **(c)** the sanctions set forth in this Consent Order do not prevent the Board from taking further disciplinary or enforcement action against Respondent on matters not specifically addressed in this Consent Order.

WHEREFORE, the Louisiana State Board of Architectural Examiners and Respondent agree that:

1. Respondent shall pay a fine of one thousand five hundred and no/100 (\$1,500.00) dollars, which shall be tendered to the Board by a certified check payable to the Treasurer, State of Louisiana, due upon the signing of this Consent Order; and

2. Respondent shall pay administrative costs of five hundred nine and 82/100 (\$509.82) dollars, which shall be tendered to the Board by a certified check payable to the Louisiana State Board of Architectural Examiners, due upon the signing of this Consent Order; and

3. Respondent shall immediately cease and desist from practicing and/or offering to practice architecture and the use of the terms "architect", "architectural", "architecture" or anything confusingly similar in referring to itself, or in describing or promoting its business or activities in Louisiana until such time as it is duly licensed by the Board; and

4. This Consent Order shall be published on the Board's website and a summary of this matter shall be printed in the official newsletter of the Board, *Louisiana Architect*, and reported to the National Council of Architectural Registration Boards (NCARB), identifying Respondent by name; and

5. This Consent Order shall not become effective unless and until it is accepted and signed by and on behalf of the Board. Should the Board not accept and sign this Consent Order, it is agreed that presentation of this matter to the Board shall not prejudice the Board or any of its members, staff, attorneys or representatives from further participation, consideration, or resolution of any further proceedings herein.
